

## Jerry Lee Amerson

November 11, 1969 - October 23, 2021

Jerry Lee Amerson, age 51, passed away on Saturday, October 23, 2021, at his residence in Independence, LA. He was a parishioner of Holy Ghost Catholic Church, and a member of The City Club of Hammond and Covey Rise. He was the co-owner of TEC (Tangi Energy Conservation) along with his longtime business partner and friend, Jeremy Robinson. When it came to friends, Jerry had many and he loved them all. He had a strong work ethic, but was never too busy to help a person in need. He was generous, kind, and had a great sense of humor. He was always prepared with a joke, prank, or a wisecrack. What truly made Jerry happy was making others happy. One of the ways he accomplished that was by cooking delicious meals for his family and friends, with hibachi on the Blackstone being among his favored specialties. As an avid outdoorsman, Jerry enjoyed duck hunting with his beloved dog Hank, deer hunting, fishing, and boating. Above all else, family was paramount in his life. He was incredibly proud of his children and had an immense love for his wife and high school sweetheart, Belinda. As a father, Jerry found great fulfillment. He was involved in all aspects of his children's lives and loved nothing more than spending time with them.

He leaves behind his devoted and loving wife, Belinda Kinchen Amerson; children, Colin Lee Amerson, Parker Matthew Amerson, and Clara Grace Amerson; mother, Judy Amerson Morgan; sister, Jackie Amerson Maddox (Steven); sister-in-law, Brenda Deslatte (Kenny); brother-in-law, Randy

Kinchen (Lanette); aunts, Annamae Amerson, and Wanda Vickery; nieces and nephews, Jessie Saucier (James), Amanda Sistrunk, Laramie Kinchen, Justin Slade, Johnny Needham, Scotty Needham, Joey Needham, and Dakota Kinchen.

Jerry was preceded in death by his twin sister, Jenny Amerson Needham; uncle, Harold Amerson; aunt, Norma Strate.

Relatives and friends are invited to attend the visitation at Brandon G. Thompson Funeral Home, 12012 Highway 190 West Hammond LA 70401, on Friday, October 29, 2021 from 6:00pm until 9:00pm and again on Saturday, October 30, 2021 from 9:00am until 12:00pm. “ *Marty and I feel so blessed to have known and loved Jerry Amerson. His love for others was amazing and his kindness toward all was so admirable. He helped us in our greatest time of need after Hurricane Ida. Jerry came unannounced, and Collin and he worked to make sure our family would be safe. Only a hero does something like that. Jerry was our hero! He is so greatly appreciated and so terribly missed. We are praying for all who loved him, in particular his beautiful children and our sweet friend Belinda. May God hold you in the palm of His hands.*

“ B, remember the time when you and Jerry in y'all's boat and me and Richard in our boat were racing across the lake to beat the rain? If it weren't for Jerry, I would have drowned that day! I was sitting on top of the back seat (when I shouldn't have), Richard hit a wave, and I flipped backwards out of the boat. When I hit the water, it knocked the breath out of me, and EVERY TIME I tried to come up and take a breath, a wave would push me back under because the lake was rough, and I wasn't wearing a life jacket! Just when I couldn't tread water anymore and was going down, I was JERKED UP out of the water by this arm--it grabbed me SO HARD that I had bruises for 2 weeks! But, THANK GOD, that arm belonged to Jerry who SAW me fly out the back of the boat and rescued me when my own husband didn't even know I was gone!! Remember, Jerry kept JOKING with me about seeing nothing but PURPLE AND LEGS flipping out the boat and across the top of the water?! And, to add insult to injury, my bikini top was floating on top of the water!! Jerry, being the GENTLEMAN that he was, didn't want to embarrass me, so, instead of him pulling me into the boat, he held onto my arm and gently pulled me back to where it was so I could put it back on. Then, RICHARD came pulling up thinking that y'all had broke down--until he saw me in the water! 😭 I am CERTAIN, WITHOUT A DOUBT, that, had Jerry NOT seen me fly out of that boat, I wouldn't be alive today!! So, Jerry, I know I must've thanked you at LEAST a hundred times or more, but, thank you, once more, for pulling me up out of the water that day and allowing me to LIVE the life I now know and love! You will be GREATLY MISSED!! B, I cherish the love and memories we all shared back then and PRAY that you find PEACE and STRENGTH in the family you and Jerry created together! 💕💕💕

“ I will see his warm smile wherever I look. I'll hear his captivating laughter when I least expect it. If I had one wish... it would be to have a heart of gold like his. Jerry is already speaking to me. Just today I helped the fiber optic tech pull the line to my home, I had the tool he didn't have, I suggested a better place to mount the panel yet didn't offend his original idea, I offered him water, I joked about the silly truck his company had him drive and made him laugh. Before he drove away, I shook his hand and smiled back at him. For that moment I was a lot like Jerry and my face tried to smile as my eyes burned red. Brother Cliff
