“ *Sharon was my best friend and the sister I never had, you were always such a cool big brother to her! We always had fun having sleep overs and you loved to scare us more than anything but we always got a good laugh after the fact and Ms Amy usually knew about the prank and was in on it most of the times. Your at peace now with your mom and Sharon and I know that y'all will be watching over Angela, David & Marc! You and Sharon was always there for your sister and brothers and you'll always be loved and missed by many.*

“ Our trip to Orlando and Daytona. He was like a kid in a candy store at Universal Studios Harry Potter sections. And was all excited telling me about dancing on the Daytona track. The beach walks at night had him truly happy. Rest in Peace. To the family may your broken hearts lighten with the knowledge that God has him in his arms.
