“ I'm going to miss Uncle Jerry s amazing gift for hospitality. His heart knew no bounds and he always made me feel so loved and so welcomed. I'll never forget when I unexpectedly fell ill in college and had to be hospitalized, and daddy was out of state. I don't even know how he found me, but there he was with Nancy -that beaming face of His just walked into the room, and I knew it was going to be ok. He just exuded joy and love.

“ I have great memories growing up and spending my summers with the Sessions. Jerry treated me as one of his own sons and always made me feel like part of the family. I remember him taking the family on a camping/fishing trip to the Natalbany River in Springfield. The night before the trip he came home with brand new rod and reels for Mike, Chuck, Randy and he had one for me also. I will never forget and will always be grateful for his love and generosity. Jerry Sessions lived showing us how we should love one another. I mourn his death with you but knowing Jerry's trust is in Jesus Christ alone for his salvation we can be sure to see him again.
