I did not know Jesse but i watched how he loved his life to the fullest. May the Lord be with his family during the most difficult time of your lives. Heaven gained an angel. I know he will live on in your lives by remembering all the goodness of his heart.

“ I was introduced to Jessie by his brother Johnathan. From the beginning of our relationship I knew that there was something special about these guys. I now know it was their quiet respectful faith.

I am grateful that our paths crossed and that I was able to add a smile to his face and joy in the memories of those times together. You are surrounded by my prayers!

“ Remember the blond fireball of energy who would run in the front door, thru their house and out the back door in the blink of an eye. As a back-door neighbor living on Ceila Ave at the time, I frequently heard Gaye's holler for "Jesse get back here now!"
