

## Jessica Lynn Olds

January 1, 1976 - September 29, 2025

Jessi was a loving “MeMe” to her precious grandchild Ava, and loved spending time with her. No one could make Ava laugh and dance like her MeMe. She had the most kind heart and would help anyone in need. Jessi loved to write and listen to music. Jessi was known for her love of pranks; and having a goofy talkative personality. She loved her cat, Taz, who was her baby. She loved her family “big as the sky” and they loved her just as much. Jessi will forever be the proudest mother to her boys; they were her whole world. Jessi’s love will forever be held in the hearts of all that knew and loved her dearly.

Jessi is survived by her sons, Jade Olds (Alexis), Justin Olds (Savannah), Jordan Olds (Madeline), and Aiden; and grandchild, Ava Olds; brothers, Cody and Conrad; and her parents, Victor and Debbie Grimball; and her aunt, Pat and Steve Aucoin (Steven).

Jessi is preceded in death by her grandparents Waveland and Weldon Wannage; nanny, Joan Gilmore; and her cousin, Daniel Gilmore.

In following with Jessi's wishes a cremation will be held
