“ So sad to hear about Jettie!! She was always the coolest mom when we were in High School and spoiled Kenneth rotten but loved her boy and treated all of us like her own! My heart is sad for Kenneth and the rest of his family. Wish I would have visited her more ! Everyone will miss her dearly !

Love you guys

“ I'm so sorry to hear of Mrs. Jettie's passing. She will be missed greatly. Family gatherings just won't be the same without her (and her delicious Strawberry Shortcake!) We'll be praying for the family.

“ Mrs. Jette really inspired Katherine to start lifting her body up in bed and she even gave Katherine her bed lift and uses it daily. She was a great cook and looked forward to seeing her each time we went to Louisiana. Sorry for the loss to all. We will light a candle in memory of her.

Can't begin to say how much aunt jetty means to me. She and mom were like close sisters. Being the baby I was always around on their escapades. She lived a full and joyful life. She is loved and will be missed by many, especially me. 😭❤️

Aunt Jettie was a jewel, special, sweet precious lady. Loved by all and will never be forgotten.

She made a huge blackberry cobbler for our family the last weekend before her hip went out for the last time. When I was a kid we always cried to stop at Aunt Jetties, she made the best brown gravy-rabbit stew & biscuits. I was one that never left her house hungry. She prayed for everyone and would pray with you anytime.

I know she missed Mom terribly and I believe in my heart she was ready to go home and be with Uncle Reed and the rest of her family. Love and prayers to your family. I love you all. Carol LeBlanc Roberts
