“ *I hit the jackpot getting you for a mawmaw for sure ! I will forever cherish these 35 years I had you here, I'm so glad I could call you for anything. The girls and I are heartbroken down here but we will be ok. I know you are up there looking down and watching over all of us, but I sure am going to miss our long talks, shopping trips but most of all our vacations!!! I doesn't matter if I planned a trip or just was sporadically calling and telling you to grab your bag we were leaving for the weekend you never said NO 🌸 I am forever grateful you are now my guardian angel 🙏 love you 🥰*

“ to the best mawmaw ever, you will be missed by so many. i miss you. but we will meet again, we had the funniest relationship ever, you were definitely good to everyone you came in contact with. anyone you met. you always had open arms. i love you. and it's hard to be here without you. but all of the laughs, cry's, and everything were the best! i'm glad i got to keep you this long. but the time we did have wasent enough for me, i know your happier though and that's what i keep telling myself, you were willing to do anything with us, go to the beach, go walk around new york city for 8 days, go shopping, take us to the dollar store knowing we only had \$2. oh i will forever cherish every minute we had together. those times will be forever looked back on, i will forever look back on all the good time we had, and continue to laugh at all of the funny things we did. watch over me, i love you more than you could have ever imagined angel❤️.

“ She was the best mother, wife, grandmother and best great mawmaw. Cannot believe 2 weeks ago she was doing her thing. Bowling, shopping, and of course pickup great granddaughters and take them to the park n McDonald's. These babies are all very upset. But I do hope the wonderful memories stay with them. You see my mom was the best at everything. She touched so many lives she will be missed tremendously.
