“ *My prayers are for you at this time. Jody was a hero to me. Aside from his service to our country he was always a beacon of common sense in my life. His calm yet fun loving character helped me over more than one of life's many hurdles. (At one time he married into my family. That was when he learned the in-depth definition of INSANITY. LOL. He new where I came from and how far I had gone. It was very comforting to have a true friend. ) Jody not only talked; he walked-the-walk. I'm a better person fot having known him.
