“ *John, his wife and sister was like a family I never had. First time I met this family they treated me like I was really part of this family. We shared good times full of laughter. I don't think there is another family that will touch my heart the way they did. John you will truly be missed. To your brother, nieces and nephew all of you will always hold a special place in my heart. Becky you are a beautiful woman. You have my deepest condolences. “ *I had the pleasure of meeting Mr. John a few years back through my job. From the beginning it felt like he was someone I’ve known my entire life. We sat and shared stories and laughed like old buddies, even though we had just met. He truly was a special man and will forever be missed.*

“ *A light went out when John left this earth. Yet I know that he is now in the light there in heaven. He made everyone around him laugh and feel as though there are no problems or worries. I never heard John say anything negative about anyone. He just made the people around him joyful. He will be greatly missed by many.*

“ I met John through a neighbor that he sold property to build his house. John was a great guy and we became friends instantly. He was always telling a joke or offering to help do something. I had the privilege of bringing in the new year with him a few times with a big bonfire on his property and him running his tractor to stoke the fire and keep us all warm. Take care brother and I'll see you again one day.

“ Only my buddy Biscuit could light up a room as soon as he entered in. I can just imagine him busting heaven wide open and greeting Jesus with a humble heart but with the biggest smile on his face. I've been so blessed to have him as a brother in Christ and as a friend forever. All our love to you Becky as you start this new journey and offer our help and time to you. We are just a call away.
