

## John P. Hutchinson

May 9, 1944 - June 16, 2026

John, age 82, went to his Heavenly Home on Tuesday, June 16, 2026 at his home in Albany, LA. He was a man whose life was defined by hard work and an unwavering commitment to his family. Blessed with many talents and skills, John never hesitated to put them to use to provide for those he loved. Whether working with his hands, solving a problem, or helping someone in need, he approached every task with determination and a work ethic that earned the respect of all who knew him. Outside of work, John found great joy in the simple pleasures of life. He loved spending time fishing, riding horses, and enjoying the outdoors, and was the fastest quick draw around. These moments brought him peace and happiness and often became the backdrop for the countless stories he loved to tell. A gifted storyteller, John, had a way of bringing people together. His stories, humor, and larger-than-life personality made him widely known throughout the community. He never met a stranger and left a lasting impression on everyone he encountered. His willingness to lend a helping hand touched countless lives. Children held a special place in his heart. Known affectionately as "Poppa," he loved making people laugh, sharing stories, and just simply making someone smile. Though he will be deeply missed, his stories, laughter, and the lessons he shared will live on through his family, friends, and community.

He is survived by his wife of 63 years, Geraline Hutchinson; daughter, April Morgan (Tim); sons, Sherman Hutchinson (Sam), Carey Ray Hutchinson

(Kimberly), Larry Todd Hutchinson (Dodie); sisters, Arlene Hano (Junior), Wanda Colkmire (Floyd); grandchildren, Cameron Hutchinson (Amie), Courtney Jennings, Heather Sisemore (Chris), TJ Morgan (Becka), Christopher Hutchinson (Sarah), Darci Goodwin (Haiden), Landon Morgan (Jenna), Lil Carey Hutchinson (Kayla), Kylin Newman (Kolby), Todd Hutchinson, Katelynn Hutchinson, Maddie Oubre, Ethan Hebert, Deslie Hutchinson, Pearson Hutchinson, Remi Hutchinson; and 20 great-grandchildren.

“ *Cousin John was an American original and a character in the best sense of the word! Like many, I referred to him as the Mayor of Pea Ridge. He love the Hutchinson Cemetery and devoted many hours to its care and maintenance. And telling stories about those buried there.*

“ Uncle John will always have a special place in my heart. He loved to pick on me. He and Uncle Bobby always held me down and got there knife out and told me they were going to unscrew my belly button so my arms and legs would fall off. LOL, now being a kid I believed them and the fight was on.

I loved to listen to him and Daddy playing the guitars and singing. I always had a wonderful time with Uncle John and Aunt Gerline. I know Daddy and him are singing in heaven together again. Uncle John always had a smile and a joke. Every time I saw him it was Audette come here let me tell you ---- and he would make me laugh always . There was never a dull moment with him. I love Uncle John and he will be missed by all of us.
