

## John Santo Palazalo

July 28, 1950 - January 7, 2018

John, age 67, a native of New Orleans, LA and a resident of Hammond, passed away on Sunday, January 7, 2018. He was a former resident of Hammond State School. John began receiving services with Hammond Strawberry Fields in 1995. He loved music from every genre and could name any song from the 1940's until present day after hearing a few notes. John loved WSMB radio and the Maison Blanche Building. He never missed an opportunity to engage you in conversation. John would call you by name and identify you with a memorable phrase. He was a remarkable man who left us with many profound and often humorous stories. John will be greatly missed. He is survived by his first cousins, Leslie Voiron, Allison Voiron, Linda Cantero, and Paula Leblance.

John is preceded in death by his parents, Santo and Lena Palazalo.

Relatives and friends will be invited to attend a memorial service held at a later date in the near future.
