“ Oh how I miss you. I cherish all of our memories, especially when we rode the train around Christmas when I was little. I always think of that day when I pass that park. Forever love, your daughter, Shayna Elise##imported-begin##Shayna Kinchen##imported-end##

“ Robbie, Kevin, and Shane's Family,

I am so sorry to hear of Shane's passing. I will always remember Shane as the outgoing and precious young man that he was.

I was thinking of the times, he and Bruce would visit us in Springfield, when I was first married and they would come and sit on the porch and keep me company in the afternoons.

I had seen Shane in the last couple of months around town, and had the opportunity to stop and talk with him.

I know that God has blessed Shane and welcomed him with open arms.

It had to have been a special time for him and Bruce. God bless your families and we will keep you in our prayers.##imported-begin##Gordon Anderson##imported-end##

“ *My heart and prayers are with you Dude. You were one of my best friends in High School. The 70’s were free and fun. Say hello to Bruce. God Bless you and ask God to watch out for the rest of the gang.##imported-begin##Sandy Daniels Wagner##imported-end##*
