“ *John is a man of great faith and dedication to his family and the gospel. I loved working in the Baton Rouge Temple and seeing him and Frances there. There have been many conversations that I had with John and Frances...what I remember is the laughter and love...but most of all, I remember feeling of their deep testimonies of the restored gospel. I am so grateful for being able to get to know John. He was always kind and thoughtful!!!!*

“ *Enjoyed my time fishing the rivers of Virginia with this man. We use to drive through the mountains and find places that sold the best Apple Butter. Later in life he became my father-in-law and was a great example of a man who loved his gospel. His role in the LDS church showed me a path to be able to return to my heavenly father above. He is the best damn father-in-law anyone could ask for and will remember him always in my heart.*

“ God gained a special special angel. He had such a impact on my life I'll never ever forget. My memories of him growing up at church and the things he taught me helped make me the person I am today. Always had a open ear and such a big heart. That smile would brighten my day! You will be greatly missed by everyone who had the pleasure of knowing you. God is very lucky to have you... Go get your golden wings. Love u and hugs
