“ I'm so sad to hear that my long time elementary school friend has gone to a much better place, it's been a many of years sense I last seen him, not sure if we would have even recognized each other, it's been that long. But I do remember those good old school days, and it makes me smile when I think about them and the fun we had. All I want to say is "Go Rest High On That Mountain" My Dear Friend. R.I.P. Wayne.....
