“ I have lots of fond memories of Ed. When I was a kid we would go for a visit at his family's house. It was the kids job to clean up the kitchen after supper. We would all start cleaning up and Ed would say his stomach was hurting. He would go to the bathroom and stay until we got done cleaning up. He used to work at Erdey's Sandwich Shop and when he came home he would go to bed. We would go in his room and make the sound of the telephone ringing. In his sleep he would answer the phone and take orders that we would call out to him.Those were the days.Love you Ed.Rest in the arms of the Angels...##imported-begin##Tabitha Arceneaux##imported-end##
