“ Paw-Paw Johnny,
Words cannot express the sorrow I feel. I miss you dearly and wish I could have just one more moment with you to tell you how much I love you. I want just one more birthday morning that you and maw-maw call me singing. I want to be a kid again to have just one more trip to North Carolina. Just one more hug paw-paw. If only heaven wasn't so far away.

Paw-Paw, I'm so very honored to have been your granddaughter. If my sweet baby boy grows up to be even half the man that you were my heart will be content and proud.

You've always told me how proud you are of me. I promise to continue to make you proud as you watch over all of us from your throne in heaven. I love you very much and miss you greatly.

Love always,

“ Thank you Dad for always being there for all of us. We are so blessed to have you as our father. Thank you for making us all strong independent adults and always being a great role model for us. I don't know what I am going to do without you but I know God will get me through this. I love and miss you so much but I find peace knowing you are happy and whole again and in the presence of the Lord. Don't worry about Mom we will all take care of her. RIP Dad I will see you again one day.##imported-begin##Crystal Aranyosi##imported-end##

“ Dad, there are so many wonderful things to say about you. You taught me to be strong and independent. You taught me to work hard and be the best at whatever I choose to do. You taught me to always be happy and have a smile on my face. To treat others as I would want them to treat me. I know that I am not all of those things but I think of you everytime I do any of them and sooo much more. You were my Angel on earth as you will be in heaven. I know you are smiling in heaven and making everyone laugh as you did during your time on earth. I will always have you in my heart and in my thoughts and cannot wait until I see you again one day. R.I.P. Daddy, I love you sooooo much!!!!##imported-begin##Kathy Cutrer##imported-end##
