“ *Have tried to send this pic of Joe and Amanda but there is issues with either my phone or there site. But Amanda and boys, we love you and are praying for yall during this hard stressful time in life. Please understand if you need us at anytime, we'll be there. God is ALWAYS there also, and He can do ANYTHING if it's His will. Trust Him and give ur burdens to Him. That's why He died for the world!!! Not just to take our burdens, but to give us a life of eternity with Him. So when those sad moments come from the enemy, remind him who's your Father---and his future. God bless yall.*

“ This one’s tough. I guess I never imagined you not being there. You were the baby of your family but you had plenty of younger kids around to make sure you got the full annoying kid sibling package, and I was one of those kids. I remember annoying you while you did your homework and stealing notes out of your backpack to tease you. I loved watching you draw. I looked up to you like I would look up to a big brother. You became someone that I not only admired, but someone I could count on. You were the one who took me to the hospital to see my mom for the last time. I wish I was better at keeping in touch... I can’t believe I’ll never hear your goofy laugh again. I’m really gonna miss you Mojo-Jojo. Say hi to my Mama in heaven. I know she’s happy to see you again.
