“ Joe, whenever we talked you always asked about the 1500 trees you planted, my answer was I'm not telling, you will see them when you come to visit us, you did come to visit us (and the trees) many times always bringing something for us, King Cakes, Peach Hot Sauce, and other goodies. Well Joe only 1 tree died (that I know of) the Beavers cut 6, and I told Robin never to tell you but I cut 1 because the branches would hit me in the face when I mowed the yard, the remaining 1492 trees are standing tall, I'll miss you my friend
Susan, Hunter, Holly and the Kliebert family, you have our deepest sympathy, our love and prayers are with you.

With Warm Regards,
