“ Mr. Joe was a very special person to us (along with all the Tallo's). Stormy & I were talking yesterday about our memories of Mr. Joe & we both decided that it was of him walking around Southeastern's campus with that toothpick in his mouth! He would be in his own little world & talking to all the people he met. You can bet that if he was walking & you met up with him, your walk lasted longer than usual. Take care. We will have all of you in our prayers.
