“ Nanny, I will miss you soo much and I will always, always cherish the memories we were so blessed to make together. I know for a fact that you are with our Lord and Savior and no longer in pain. I know this, because I was blessed to be there with you and to see the peace in your face as you walked that stairway to heaven. So, Nanny, you rest in peace now and I will see you again someday.

I love you and I miss you already.
