“ I've been trying to figure out how I could put into words to let other people know just what kind of person Josh was. He was kind, loving, caring and an over all good person. He had a heart of gold and he loved his family with everything he had. He would do anything for his family. But those are just words. And my husband Josh's Uncle Edd always says ACTIONS speak louder than words. So I decided to let everyone know what Josh DID for me that says way more about what kind of person he was than any words could ever say. When I came down from Ohio on Christmas Eve the year Pyper was born Josh let me keep Pyper over night (her very first Christmas) because he said he knew I wouldn't be able to be there for everything. I hope he knows how much that meant to me. Josh had such a good heart. He also had a beautiful smile.

Josh, Nanny loves you with all her heart and soul and I always will. I will miss you dearly babyeek###imported-begin##Nanny Lezlee###imported-end##

“ Josh you weren't just a brother you were a great big brother wh always looked out for me... I remember many times of you and your friends scarring boys away lol I didn't stand a chance till I was older. You were te one I ran too when I neede help or especially if I didn't want mom and dad knowing. Like when I ran moms car in the ditch right down the street I called you because I didn't want to get on trouble you came walking down the street to get me. It wa all the little things you did that meant the world to me. And then I got married and you weren't just in my wedding but you were joeys best man and a best friend to my husband, you helped Joey do so many things because you know he wasn't a very good handy man like you! I would always call and ask you to cone help him because he could never figure any thing out! Well after lain was born I knew you were the best person to be his godfather he was your little man and always will be he loves you so much and it meant alot to me that yal were so close! Man to I miss you so much! And now that your gone I look at your two beautiful kids and see you in them so much you gave Andrea the best gifts your children, and we are helping each other through these tuff times. “ My thoughts and prayers are with the Benoit family and their friends. This was truly a shot to myself and my dad. I know words cant help the pain that y'all feel. But keep in mind all the happy memories to get you through. I truly believe that when love ones pass that they do come back in dreams to let you know they are ok. I promise. I have lost a lot of ppl in my life (family.). For Josh.... Find Mercedes up there and tell her we are all ok!! If anyone needs some helpful words please feel free to message me. <3###imported-begin##Lacey Cargill Sims###imported-end##

“ Joshua Frank Benoit, I will never forget the moment I recieved the message that you had passed away. I thought it was some kind of joke, and that I was being pranked. Little by little I started realizing it was no joke and that you were really gone. I drove to louisiana to say goodbye for the last time. There is always going to be a place for you in my heart, always has been. You were an older brother to me, always watchin out for me and you even beat me up a couple times (haha not fair)!! I cant believe I wont get the phone call sayin your in town or the random suprise visits you were known for!! Its hard because my brother named his youngest after you, everytime I say his name I think of you!! I love you Josh and I will miss you dearly. My prayers are with your family. Love, Mantha!###imported-begin###Samantha "Mantha" Lee###imported-end##
