“ *Josh, Brandi, and I became very close friends this past summer and I am so glad we did. Josh was a genuine friend to many of us any time we needed his help. I will miss him dearly. My heart is heavy for Brandi, who is such a wonderful wife that took great care of her husband. Haleigh Penton is my daughters best friend also so she sends prayers and love as she grieves for you all. My thoughts and prayers are also with Mr. Ray & Mrs. Tammy because Josh was their heart. Sending love to all of the children and family. I'm here if anyone needs anything. Love, Dayna Sessions Miller*

“ Prayers and condolences for Brandi, the children and all family and friends. How we all prayed for Josh to make it through and be with his loved ones, again. Now we send love and prayers for all those he loved and who loved him, too. May you find comfort in the knowledge of how dearly he loved you and in all the memories you have, to share and smile about, later. When you are missing him and hurting the most, know that he is with you, in your heart, and watching over you.... <3 <3 <3

I will continue to pray for all the family. I am at a loss for words because we have lost another of our small town young men. Josh was always smiling when I talked to him. I know he was loved dearly by his family. I am sure he is already terribly missed. Rest In Peace my young friend. Tell our other guys we will see all of y'all again.
