“ *Josh was a good friend. He would always check in to see how things were going, just chat about random interests (games/animals/art/etc), and he really did just care a lot so much for his friends & family.*

He always offered to help in whatever way he was able to provide and was big animal lover at heart. Im glad we were friends for all these years and I'm sorry his time was cut short. He will be greatly missed... RIP, Bro.
