“ I met Judy way back at OFS, 1992. First day, she was so kind to me, as I was the new person. She transferred to Medicaid as well as I, soon after. We worked side by side for many years. I watched her children grow up, have children of their own, She watched me have children. We went through so many trainings together....One training, she wrote a note and slipped it to me...I laughed so hard, it choked me up. We could not stop laughing. Trainer had to stop and ask were we "OK?" "Yes Sir". So many memories over the years. Albert, Wendy, and Lance, my prayers are with you. Judy was one heck of a mother, grandmother, and friend.

“ My thoughts and prayers are with Judy’s family-Albert, Skipper, Lance, Wendy, and all others. Judy was always so kind and caring and it was my privilege to know her. We ate lunch together for several years and I have such fond memories of us sitting and talking and cutting up and having fun. She was one of the hardest working people that I know and was always willing to help her co-workers at Region 9 Medicaid. She worked the shelter at the LSU field house with me after Katrina when no one else would. Long, hard, 12 hour days plus travel time. We also spent a lot of time doing Outreach Events together. Just a really great person. She loved her family and talked so lovingly about them every day.

You’ve got your Angel wings now, Judy. Fly high. I’ll see you again one day.
