# Tribute Wall

“ *Yes I understand  
That every life must end  
As we sit alone  
I know someday we must go*

*Oh, I'm a lucky man  
To count on both hands  
The ones I love  
Some folks just have one  
Yeah, others they got none*

*Stay with me  
Let's just breathe*

*Practiced on our sins  
Never gonna let me win  
Under everything  
Just another human being*

*I don't want to hurt  
There's so much in this world  
To make me bleed*

*Stay with me  
You're all I see*

*Did I say that I need you?  
Did I say that I want you?  
Oh, if I didn't, I'm a fool you see  
No one knows this more than me  
As I come clean*

*I wonder everyday  
As I look upon your face  
Everything you gave  
And nothing you would take*

*Everything you gave*

*Hold me 'til I die*

*Meet you on the other side*

*~ Pearl Jam*

“ My Brother, my friend. The fun times, the memories, and the moments we shared. Words cannot capture how close we were nor the laughter we shared. No breath, belly aching, begging for it to stop laughter, while hoping it would never end. My deepest sympathy for the family, NBL my brother. RIP
