“ *Julie was in so many ways a "spiritual being having a human experience". Such is the nature of the new creature in Christ. She lit up many lives because of the work God through Christ wrought in her own life and was NOT bashful about it. She is an ongoing inspiration to me and many others. My life has an empty spot in it because she has left this earth. Thank you Julie for all the laughs, words of wisdom, and living example of gratitude and perseverance you have given us all.*

Julie was Ashley, Katie and Samuel's 4H Livestock Show helper. She loved every minute of being with these kids at each show and at the barn helping get them ready.
