“ With heartfelt sympathy. Mrs. June was very kind, friendly. Me and her work at a group home together, when I met her, we connected just like that. She'll always have a special place in my heart.

“ I only knew these two wonderful , loving, and caring people for only a few years, but it felt like a lifetime. They were always so happy and they spread that happiness to everyone. Mrs. June will be missed so much that words can't express it. My love and prayers are with Mr. Buddy and their wonderful family. Mr. Buddy, I know your family and close friends will be there for you to lean on in your time of grief and sorry. May Our Heavenly Father have his hand on your heart to help you with your grief. “ June is going to be missed by so many, she loved her family above all. Everytime we passed her and Buddy's home she would be working in her yard, it was her passion and always so beautiful.

Bill and I want to send our love to Buddy and the family of this amazing lady. God Bless you June, rest in peace.
