“ *Wow! Where do I began? Mrs. Karen was a funny sweet loving mother in law to me and a nana to my son Trystan. She was loved by her family but most of all my best memories are her and Mr. Jack. How in love they are. They should be a magazine cover for America to see what a loving marriage should really be like. Such a great couple that was so in love from the day they got married to the day death did them part. Heaven gained another sweet beautiful angel so fly high is Karen and my prayers are with you mr. Jack and her family. I love you mother in law and sadly will miss you.*

“ Remembering my beautiful neice, with her winning personality, and contaigous laughter. She over looked her own health by caring for others who were very deared to her. I fond memories of Karen as a baby, toddler, a young girl, a teenager, and a wonderful grown up young lady, Whom married and took on the responsibilities of wife and mother of three young men. I know she is with her beloved mother and father and prays of the lord in heaven. We are praying for Jack, the boys, and the rest of their family. Love uncle Danny and aunt pat. 🙏❤️💔❤️📧

Last May my mom wanted me to go to New Orleans for it was the Hamilton reunion. I was able to go and thought to myself this will be my opportunity to visit Karen and Jack! I was hoping to see them so much! In April I found out Karen was ill. Susie went to help her as she was taking thereby. May came I was hoping to visit but as it turned out she was so ill that I could not see her. We were hoping and praying forc Karen to heal. God called her home to heaven! She is reunited with her parents! God promised no more pain and his will was done! Karen was one of three cousins who I visited often as a child. I have fond memories of her as a teen and attended her wedding to Jack! I will keep my memories of Karen in my heart! I pray that God will comfort Jack and her children, grandkids and her brother Max and sister Susan. Love you all!

Karen was a special lady, we met her when her brother, Bro. Max was our pastor in Sulphur . Her love for Max, Melodie, Michael was seen and felt every time we were around her. Her love and care for her family was a god send. We send our love and prayers for the rest of the family ,knowing that she is in heaven, we had a lot of laughs during our visits and she will not be forgotten.

To Karen, my wonderful sister and friend, I hold dear so many memories that myself, Karen, and my younger sister, Susie shared together growing up. I remember my dad taking us three to pick out our Christmas tree. The many times we got up early in the morning to see what gifts Santa brought us. I remember the many times we dressed up for Mardi Gras and dad taking us to the parades in New Orleans. Then as we got older doing things together and learning to encourage one another in hard times and enjoying the good times. Karen was such a wonderful happy personality. She was always fun to be around. I remember the many times we spoke together and we would all ways end up laughing and cutting up at the end of our conversation regardless of the situation. I remember many times in worship services Karen playing the piano, and I played the organ together. I will always cherish those memories.

Karen was not only my sister, but she was my lifelong friend. She was always ready to love, comfort, and defend me when needed. Sisters are lifelong friends you can count on until the end. In fact, the only force powerful enough to cut short the friendship between a sister and her siblings is death. I have been blessed to have Karen as my sister who was always there for me. I cannot imagine Karen not being part of my life. I will miss her dearly. It breaks my heart to know she is gone. I have comfort in knowing that she is with her Lord and Savior, Jesus. She is in heaven now playing music and worshiping her Lord. I can only guess that when she arrived, my mother, Rowena called her by name. What a wonderful reunion she is having with dad and other love ones. Karen I will miss you.

*To Karen, my dear sister-in-law,
I will miss you dearly, you were a wonderful friend to me, like a sister.
You were a joy to be around, your laughter, your kindness and love.
Karen had the joy of the Lord. I loved to listen to her play the piano.
What a beautiful and anointed gift from God. She blessed me through
the years since I came into the family. I know one day I will shall see
her again in Heaven with Dad and Mom. I know you are in the
presence of the Lord, no more pain and suffering. Love you dearly and

*Most of what I've known of Karen is through her brother, my pastor and
friend, Max. To know and work with Max Docusen is to know his family,
too. Having only sisters, I've never experienced first-hand the bond
between a sister and brother, but I know how much Karen means to
Max. I met Karen a couple of times and she was always so much fun
and full of laughs.
I know the love she had for her family and especially for Jack. Our
prayers are with each member of the Docusen/McMillion family as you
find the grace and strength to move forward toward the day when you'll
be reunited. You will continue to be in my prayers each day.*
