“ Such a sweet lady! I worked with her at Eckerds for 3 years while I was in college. She always had a smile on her face. Whenever I would see her in the community many years later, she always remembered who I was. Rest in peace, Kathy!

My prayers are with you and your family!

Sincerely,

“ Kathy was my sister-in-law,I loved her and she loved me ,we made sure we told each other whenever we would text or talk or just see each other,She has a good heart and will be missed dearly.When I loss my home due to Ida and had to go 200 miles from what was left of my home in Ponchatoula,I had loss everything,before we left she asked ,do you have any covers-or even a pillow ,no I said loss it all ,she said wait ,went in pulled the covers off her bed and had pillows to,and said what else y'all need? But that is how she was, opened her home to family when the first storm came through, I will miss you ,but I know I will see you again....
