“ *Kathleen and Madeline were such good friends. Every time Madeline came to town she would tell us that she had to see her friend. Now the two friends are in heaven probably cooking Hungarian pastries and talking about their time together, playing basketball and dancing in the Hungarian Harvest Dance. We will miss her Hungarian pastries.*

“ *So sorry to hear of my dear cousin Kathleen's passing. Was good friends with her and brother John when we were all little kids ages ago. So very glad I took the time to visit her when I was in Louisiana this July. She was a delight to talk with. Filled me in on things about Grandpa Mocsary. Said he was quite a jokester or prankster). Who knew? He spoke mostly Hungarian and it went right over my head. I hope she is having a wonderful reunion right now with Horace, Johnny, and her parents. Sorry I will miss the service. Prayers being offered tonight by myself and by my very devout family.*
