“ *Trying again to send my memories. Donnie we know how hard this is for you.*

*You and Cathy were meant for one another for a season. God saw her pain and decided to take it away in a place where there is No pain. We're praying for you and the family. A memory of when you and Cathy visited to invite us to be a part of the music ministry at the church in Independence. Yall have a reward in Heaven for that. If you need to talk or just visit, come by, you're always welcome. Trust in Jesus to help you through this process, He's your closest friend. We love you and Cathy.

“ You help me when I needed it most and gave me a chance when I had no where to turn. You taught me how to work hard and earn the things that I enjoyed. Y'all were all the toughest ladies I knew and that rubbed off on me. I love you and your family very much. We are praying for you all during this difficult time.
