“ I'll never forget the day you were telling me about Ebates and your secret taco bell in the car money lol. It was so adorable and funny at the same time. You were one of the kindest most welcoming, bravest, funniest women I've ever met and although I never got to spend as much time with you as I would have liked. I'll never forget the times I did and I'll cherish them more than you'd ever know. Rest easy my sweet friend and as soon as I make it to that side we can have all of our missed out on hangouts. I love and will miss you so. Love, Stephanie
