“ My heart breaks for all Kelly's friends and family. Kelly was such a good friend, I met her 19 years ago when she worked with me on the bus. I have so many memories of her, good, bad, and funny. She was one if the few people at my wedding during covid. Kelly was the type of person that could always brighten your day and she will be missed greatly by many people. I love and miss you Kel Kel (Roar) 😊😭👍

Kelly was beautiful inside and out. As the nutrition manager for Regina Coeli Child Development Center I've worked with Kelly for a number of years. She will be hard to replace, the best food service manager. Records were immaculate, kitchen so clean you can eat off the floor. I truly am going going to miss her. Karen A Ray

“ *So Sorry Danielle for your family and friends.. when I remember your mom I would have to say the first thing I think of is laughter. I meet your mom through Christy and Taylor along time ago. The last time I saw your mom was playing a game at Tara’s house and your Mom won. She was a quiet while playing but a string competitor... And she Won. Great memories Bless you Sweetheart and Sending Love* 💕💕
