“ So many memories come to mind with our Baton Rouge cousins. On a visit back to our Indiana farm our family had taken a walk over the fields. Kelly was just a little guy and had grown tired of the the long walk. So our father, Max, hoisted Kelly up upon his shoulders. Up there Kelly had a totally new perspective of what he had been looking at. Looking South he left out an exclamation, " I can see all the way to Baton Rouge from up here!" He always had a way of seeing beyond the horizon.

“ My condolences to the families. Kelly was my mentor, then my peer, then my best friend for many years. I can't share any specific stories publicly because, well we were road warriors in our 30s back in those days, and if you knew either of us, you would know why. But during the day, he was the most professional and ethical appraiser I ever knew, and I strived to be like him. Rest in peace my friend, you will be missed. Dave Englund

“ *Kelly was a wonderful guy! Our family loved him! I remember meeting him when he dated my sister at LSU! He was always laughing, smiling and was a joy to be around He lived LSU and my husband and I frequently saw him tailgating during football season! He was an excellent realtor and appraiser! He appraised our house in Prairieville! I remember he loved the beach and the water! We would put this jar of coppertone on our skin! Kelly remarked that this was a “jar of Florida”! What a sensational guy he always was! Rest in peace Kelly! 😊*

I am deeply saddened by Kelly's passing. He dated my sister while at LSU and my whole family loved him. He appraised our home in Baton Rouge when my husband and I bought our first home! He was always easy-going, friendly and a joy to be around! I will miss him. God bless him and prayers for his family. Alice Sewell Kendrick
