“ I remember not long before Dad passed away he was getting ready for work, shift work as usual. My sister, Brynn, and I were home with Dad. Out of no where music started playing from the living room; it was Brooks&Dunn. When we entered the living room, Dad was singing every word like he wrote the song himself. He passed away about a week later. I think of him any time I hear that song, and sometimes listen to it purposely just to crack a smile at Papa. The humor he possessed was magical.##imported-begin##Bryanne Millet##imported-end##
