“ Angie, I am sorry to hear about Kenny. This is Pam Pete (Gaynell's friend). I have never met Kenny but from looking at his picture he looks like he was a happy go lucky guy and I know how much you loved him. I know you will miss him dearly. I pray that God will give you the strength you will need to get through this difficult time. God Bless you and I hope to see you soon. Pam Pete###imported-begin##OMNI HOME CARE STAFF##imported-end##

“ To the Pritchard family, I worked with Kenny in the Inspection Department for many years. I worked directly with him at the West Site before, during and after his first C-Unit T/A and saw a very professional inspector with integrity that could not be questioned. I learned a great great deal from Kenny during that time. When the T/A work was completed, he wrote a letter to my supervisors that proved what a great person he really was. I have kept that letter since July 1997 with other special documents from my Shell career. It meant more to me than he ever knew. We will miss Kenny an awful lot - as a professional and as a friend.###imported-begin##Pam Pete##imported-end##

“ Dear Angie and family, Michael and I were shocked and saddened to learn of Kenny's death, and we share in your grief. Even though he is gone from our sight, I know he isn't really gone. His spirit has just been set free and he has claimed his inheritance from Our Heavenly Father. Once the pain you feel right now begins to subside, you will feel his presence again, for once love is, it is always. If you try real hard you will hear his gentle voice whispering to you, and feel his loving arms around you once more. Kevin and Kelly, you will still be able to call on him for his fatherly advice. You will just have to listen a little harder for it. For now, may the love of God, family and friends comfort you until your family is reunited again, and it will be.

Thinking of you all with love, prayers, and blessings,

“ To The Pritchard Family: You folks don't know me at all, but Mr. Kenny was one of my customers at the Town Crier News Stand in Mandeville, LA. It has been some time since I last saw him, but I saw his obit and I just felt like I had to send you a note. Mr. Kenny was the high light of my day. He was always happy and smiling and just a pleasure to visit with, such a genuinely nice man. There are some people who just make a lasting impression on you and Mr. Kenny was one of those people. He was one of my favorite customers. My condolences to your entire family. Please know that you are all in my thoughts and prayers.##imported-begin##hilda and eddie austin##imported-end##

“ Dear Angie,
We don't know each other but I did know your husband, Kenny. We went to St. Vincent de Paul Seminary together in 1966 in Beaumont, Texas. He was a good friend and kept us all laughing at a time when so many of us were so far away from home for the first time. None of us were Priest material, but we gave it a shot. We had a reunion in New Orleans in 1990 but could not locate Kenny. It is only now that I realize he had moved. I'm 56 and am sure the Kenny in the paper is our ole' friend from Beaumont. I wish you and your family the best in the days and years ahead. I'm sure you have some great memories to help give you the support you will need.

I am married with 3 grown children now. You and your family will be in my prayers. No doubt you all had a fun life with Kenny in it. The picture in the paper was perfect!

“ Our deepest condolences to Angie, Kelly and Kevin and Family. Kenny you will be very sadly missed by our family. However we have the blessed assurance we WILL see you again in Heaven. You handled this big trial with your eyes on the Jesus Christ & family first and with much Humility, courage and dignity as you did in your life. This is an inspiration to us all.

I as well as your PEI buddies will miss the very early morning chats in our field office Laughing hysterically until we could not breathe at whatever, discussing the day's coming events, and life in general as we seen it! We had alot of laughs there as well!

Angie, so many times thru this Trial Kenny referred to you as his rock it's obvious he was a very lucky man to have you by his side. God Bless!##imported-begin##Bill Habeney II##imported-end##

“ Jeneen and I want to share our condolences with the Prichard family.

I worked with Kenny for many years and he taught me alot about work, but even more about life and family.

I will never forget when my son Joel had surgery unexpectedly. I told Kenny I needed to take vaction and he said you are not on vacation, take care of your son and don't worry about it.

That's just how he was always concerned about family. Working with him was like working with family and he will be missed dearly.##imported-begin##Paul Barletta##imported-end##

“ Kenny, I can only imagine how you felt when you passed on the other side and saw how beautiful Heaven is! The love you felt when Jesus put His arms around you and said, "Welcome Home, Son." And, then He stepped aside and there was all the ones who arrived before you. Nogie, your Dad, Uncle Alvin, Aunt Pauline, Aunt Dee, Uncle George, Grandpa and Grandma Cousin, and Anthony. They surely were there to welcome you. When I saw you last Friday, we made plans that we both knew we could not keep. We planned to go to the lakefront and sit on the seawall, and you were going to buy me lunch! I had no idea it would be my last time with you. All day today, I sat and remembered all the great times we had together growing up. ..Some might say that your journey is over. I say it has just begun! You are walking the streets of Heaven! And, of course, you are bragging to everyone up there about your beautiful granddaughters! (I bet you sneaked a few pictures of them up there to show everybody!!)..I won't say 'good-bye', I will say, "I'll see you later!" So give everybody up there a big hug and kiss from me, and tell them I miss and love them, especially Mama and Daddy. Be good up there, because one day, at MY arrival, I will be expecting a big hug and kiss from YOU!...I love you, Cuz.....Lucy###imported-begin###Mr and Mrs Frederick Turpin Sr.###imported-end###

“ Dear Angie, Kevin, Kelly and all family members,
Words can't express what a sad time this is. Know that we've been thinking of you and remembering you in our prayers.
At this time I'm thinking of fun times we have had all the way back to Lafayette and your wedding and getting together for things even when we lived far apart. Kenny added much fun and laughter when he would come with us.
Love to all your family,

“ Words can't even begin to express our sympathies and feelings we wish to express to all of you at this most difficult time in your life. Know we are there if there is anything we can do and most importantly that God is there and will give you the peace and comfort you need at this time. We had such a wonderful visit with Kenny Friday and I thank God that Kenny knew he was going to be with the Lord after his death. I know that I will see him again and that brings me much comfort and like Tiffany he is no longer in any pain.

We love you all,
