“ She was the Rock and shining star in our family. She was kind,patient, always ready to listen to you. She had a hilarious sense of humor,she was fun. I called her " duck lips" since she was little. And my Doodle Bug. Because when she was little in her cradle next to my bed, I'd roll over, and see those big eyes staring at me. Just like the doodle bugs in cartoons. She put everyone first, before herself. She was the best super mom to her boys. She was always kind n close to her 2 sisters ,Aleesha and Jennifer and her brother, Kenny.She was my best friend. She was very close to her sister in law Erica , and all her nieces, nephews, cousins.She loved her dad, Big Kenny.

She loved her ex mother in law, Miss Rose,who was always there for her and her boys. who was like a second mom to her. She remained good friends with her ex husband, and anyone she ever dated. She had no enemies. She was compassionate. She excelled at all she did. She was top if her class in beauty school, top if her class ,for EMT. She was also a manager at finance institutions. She was always responsible and independent. She had a soft spot with animals. Her little Chihuahua, stayed on her nite n day, when she became sick, her little Avery. The cat Whiskers and bigger dog Blue, were devoted to her. They were the boys pets, but they all slept by her when she got sick. My daughter cheered in her boys, at anything they wanted to try. She took her boys everywhere, their relationship, was extremely close. They were her blessings. She was told after her first cancer,she couldn't children. But she proved them wrong. And she had Tyler and Eli They were everything to her.And she treated me so very well. We did alot together.She always made me laugh and feel safe We shared our birthdays. She was born one day before my birthday I was having a birthday barbecue, she arrived a month early. She was the best present I ever got. And she passed a day after her dad's birthday.She touched everyone's heart that she met. And she was my mom , her grandma's , one if her favorites. Jo Ann Dubroc. I named her after my mom, and one if my bff's. Everyone thought her name was just Kenzie. Her name was Kenzie Jo. I will miss my baby girl. She was everything to me. I know she's an angel now, watching over all of
