“ on year on my birthday we were at the camp for the week and I was so excited to be there on my birthday I loved the camp it made my childhood the best of all, the day of my birthday pawpaw was making his famous fried fish and as soon as I asked he paused is fish frying and took me and my cousin to pull us on the tube because he always dropped everything for me my sisters and our friends he gave his all for his grand kids he loved us to deth he has always been there for us. but my last thing I was given from pawpaw kiven was a birthday card and shortly after that he passed I had church camp the next week so when I went to church camp and I had to make it home for his sevrice so my pastor drove me home a day early for his funeral the next day I always thank Mr. Jonny for that and I will never forget that day because my mom made me a frame with the card he gave me for my 16th birthday and our pictures all around it and since you wished me happy birthday !!! happy heavenly birthday Kiven Gerald Benton

“ I don't even know where to begin saying that Kevin was a friend a brother doesn't seem like enough Kevin will always be remembered in our thoughts and our memories in every day things that we do in our life, forever. The many trips that we took the memories that we've made they will forever be cherished. Our hearts are broken we feel as if there is a hole that will never be filled again. Jess and I have been very blessed to be a part of your family to feel the love that you and Rosie shared with us. I know the love that you felt for Rosie it showed in everything you did for her, for your kids and your grandkids Kevin was just a wonderful guy he had a heart for others he was always lending a helping hand no matter what was going on if you needed him he was there. We will miss that loving smile on those beautiful eyes the laughter but will remember all in our thoughts and in our heart. The times we've all spent together are some of the best memories in our lives. Kevin will be forever missed and forever loved . Rose, Missy, Mandy and Ashley, we will always be here for y'all, Ya'll are our part of our family and there's nothing we wouldn't do for y'all or for the kids we love y'all very much and I am so so sorry.

“ Mrs. Rose and Mr. Kevin we're like parents to me and many other of Ashley, Mandy and Missy's friends. Mr. Kevin was such a jokester! I will forever remember being pulled on a tube behind his boat. I'm not quite sure how I ever survived his crazy driving! While there are so many funny memories of him, I remember the first time going to church with the Benton Family. I stood next to him so confused because I didn't know a single word to any of the hymns. He opened a hymnal to the correct page so that I would know the words. This is who he was! He genuinely loved and accepted everyone and was willing to help in even the smallest ways. Mr. Kevin and his family will forever be in the many memories of my childhood. He will be missed by many. I am blessed to have known him and look forward to standing with him in eternity worshipping our Lord. I love you Benton Family! I am praying for peace and comfort during this time.

“ To one of the best brother in laws that we were blessed to have in our family. You will forever be remembered by your beautiful smile, your loving soul and your generous spirit. The many trips that were made to the blind river camp, our trips to the mountains (even though you said you didn't want to go but you did it anyways), Will be happy memories that we can keep in our hearts forever. You were a great husband to my sister, A devoted father and awesome “PaPa”. We will have the best memories of you in our minds and hearts and will love you forever.
