Rae, Kim was always beautiful and always will be. She was also a very good nurse who truly cared for her patients. I have no doubt that we will see her again. Won't that be a reunion ? Much Love to your family. Margaret Wells .

Kim, it is with much sadness and shock that I am writing this. I can not believe you are gone. You were such a good friend to me. The day we met we instantly clicked and a friendship was formed!!!! I will miss the days of you coming and just hanging out. You would always be cleaning my house, just start doing it and the next thing we knew it was the middle of the night. I will miss all of our talks. I will always cherish the text you sent me saying how much Holden (my son) and I meant to you and how much you loved us. We loved you right back. I will never get rid of the bench you gave me. Your memory will forever live on in my heart!!! I know how much you loved Brittney and Kristen b/c we always talked about it. Stay close to them and let them know you are there. They are going to need it. I love you and will definitely miss you my friend! I will see you on the other side where we will pick up where we left off. R.I.P. Kim, fly high my sweet friend! Soar with the Angels!
