

Kimberly Elaine Mooneyham

June 16, 1960 - May 28, 2024

Kimberly Elaine Mooneyham, 63, of Ponchatoula, Louisiana, passed away peacefully at her home on Tuesday, May 28, 2024, surrounded by family and friends after a very brief illness. Kim was born in Memphis, Tennessee, to Thomas and Billie Mooneyham on June 15, 1960. She was the 3rd of 4 children. Kim's family later moved to several towns in Mississippi where she spent a lot of her childhood developing lifelong friendships. Kim graduated from Pearl High School and continued living there after graduating. Shortly after, in the 1980's, she moved to several towns in and around the Hammond area before settling in Ponchatoula, calling Louisiana her home. She easily made friends with her outgoing and friendly zest for life. She was a kind soul that would help anyone in need and always had a wonderful sense of humor, always wanting everyone to be happy and cared for. If she had it, and you needed it, it was yours. And she probably had it because she was a collector of everything! "Waste not, want not" was her motto and everything had a purpose, and she probably could fix it. Kim loved her family and friends unconditionally and always enjoyed spending time with them making memories. She loved the outdoors, projects, fishing, parades, festivals and home cooked meals. She dedicated much of her life caring for her elderly parents so unselfishly. She was a wonderful friend, mother hen, aunt, Nana, and cousin to so many who loved her. Kim will be truly missed and remembered lovingly by all who knew her.

Kim is preceded in death by her parents, Thomas and Billie Mooneyham;

brothers, Kenneth and Scotty Mooneyham; her grandparents, aunts, uncles, cousins, special companion Elaine Gill, and her devoted animals Pinky and Sassy.

She is survived by her sister, Lucretia Williams, nephews, Dillon Williams and Jason Mooneyham, and a host of friends who loved her dearly.

A very special thank you to Hospice and her special friend, Yvette, for the compassion, kindness and love shown through her short illness. A memorial service is being planned for a later date and will be announced.
