“ *Gloria and Joe,
Our hearts were truly saddened when Byron called us with the news of Kristina's death.
It is at a time such as this that God certainly carries us in His arms, knowing that we will once again be able to stand.
Although we are miles from you (we now live in Arkansas), our thoughts and prayers are there with you, believing that God will continue to carry you through these days of sadness.##imported-begin##Freddie & Bill Cory##imported-end##*

“*Kristina, what is there to say? I miss you already and it's only been a day. I'm going to miss your laughter, when you walked in a room it would light up with the shining light from your eyes. I will forever look at the stars and see the light you were. We never did get to go have that lunch like we said we would. Your death has hit my heart really hard. I watched you grow from a child into a wonderful, beautiful woman. I can hear you say, " Oh, girl, it's gonna be okay." And I know it will, but right now my heart has so much sorrow at your passing it feels like it's breaking. I'm not saying good bye, just until we meet again. You are gone but never ever forgotten.*###imported-begin###Kyle McCarroll###imported-end##
