“ I'm so very sorry to hear of Larry's passing. I was stationed with Larry at Personnel Support Detachment, Naval Station Mayport, Florida in the late 1970's. I fondly remember going fishing with Larry at his mom's place near Titusville, Florida. I remember her raising Dobermans there. Larry was a true friend, mentor, and Patriot. I wish to extend my most sincere condolences to Larry's family. I pray that God will bless you and keep you in peace always.

“ I am saddened to hear of Larry's passing. I knew Larry and his family when his parents owned The Beach House on the North Shore in Crystal Lake, Illinois. My aunt Astrid lived next door to them.

Larry and family moved his sophomore or junior year to Florida. I remember him as a funny, shy, good looking guy. And I know a lot of girls hated to see him move away.

My condolences to his family.

Rest In Peace Larry , Cathy Thomas Graham

*With a mention of Titusville, during the current coverage of hurricane Ian, I remembered Larry Bishop from the Naval Support Activity in DaNang, Vietnam in 1969. We overlapped by just one month, but hung out and shared stories. I enjoyed his personality and humor. He taught me (as I was taking over for him) my new assignment at Area Work Center #1 at Camp Tien Sha in the DaNang area. Always living in California, I never reconnected with Larry — but with this random search, am saddened to know of his passing. After Vietnam, I attended seminary and became a Presbyterian minister, now retired and almost 76. I hope the family is doing well. I have good memories of Larry and, though I do not know his adult faith journey, commend him to the Lord.
