“ *Larry was greatly loved and will be missed. He was my best friend on the USS Sterett from 1969-1970, while we were in Vietnam and Japan. He was, without a doubt, the kindest and finest man I knew. Regardless of the circumstances, Larry always had a smile on his face, a laugh, and a cheerful outlook on life. I didn't get to see Larry much after then, but when I was in New Orleans, he would always come to see me, we'd have dinner, think back to our Navy days together, all our friends, and memories. I was fortunate enough to see Larry back in 77, 90, and I believe, about 2000. Larry, old friend, you will always be in my heart and memories. Fairwell and following seas shipmate. God bless you, and rest in peace. To those who know what I mean, "ding ding, ding ding,, Postal Clerk Third Class, Larry Wayne Robinett, departing". Ding.*

*Larry was one of the kindest people I believe I have ever known. I know Larry is in heaven and happy and laughing with that cute giggle he used to d. I had not seen Larry since his accident. I know Christiana got many of her redeeming qualities from Larry. I don't know if I could ever walk in Christina's shoes. Thank you for loving and taking care of such a fine man as your dad.
