“ *Your mom was great to know and for that matter, so was your dad as I remember fondly enjoying their company when you and your mom and dad were our neighbors while we we both were growing up in Norco. Always sweet and kind and having an interest in whatever I was doing in school or other activities, she was was warm and kind and hospitable in her treatment to everyone she met. I especially remember the fun of a New Year's party celebrated at your house when I was home from college between semesters one year, though the particular year escapes me. It was just a fun to be with you, your mom, and your dad bringing in the New Year with my parents enjoying the toasting as well.*

I am especially glad that we, my mom and I, had a chance to visit with her at your house in Robert a couple of years ago. Even then, she was a joy to see and hear as she recalled stories to share from events over the years.

Peace and comfort to you and your family and know, like you mentioned in your initial FB posting, that she is reunited with your dad. May they both rest in peace.

Thank you Barry. It was so nice seeing your mom ystrdy. I was thrilled that Butch brought her. I appreciate your kind words. Though I don't recall the party, I know they loved your parents and always had a good time w/ them.

I'm very sorry for your loss, Ms. Laura was my bus driver when I was in elementary school. She was a very sweet and loving lady.

Dawn, I'm so sorry for the loss of your mom, she'll be missed by so many. She was a joy to be around, especially in our Happy Hearts Wednesday craft club. We spent many happy hours together. Wesley and I loved spending time with she and David. Oh the happiness now that they're together in Heaven. So sorry I couldn't be at her funeral, I had just got out of the hospital. I sure miss my special friend. Judy Meades
