“ I became best friends with Larry's son Gary in middle school and remained close to the Borgstede family for many years. Mr. Larry was a tremendous influence on my life in my formative years and he treated me like a son. He was a role model to me on how to always work hard and spend quality time with your immediate and extended family whenever possible. Most all he demonstrated to me how to love your wife and children unconditionally! He was also one heck of a boat mechanic, because every time he and Mr Gasper took me fishing the boat would break down! But somehow Mr Larry could fix it!! To Miss Carol, Gary, Shelly, Courtney and the entire Borgstede family I extend my family's condolences. You are all in our prayers!

“ I met Larry for the first time just a few years ago when Kathy's and I traveled to Independence to visit our dad's family. Larry and Carolann loved me from the first minute we met. It has nothing to do with me and everything to do with Larry. Larry, I love you.
