“ Bro Ricky was a very kind and caring man.  
I miss his greetings on Sunday mornings (Sis, how you doing today?)  
And (Sis you off today) and if my answer was yes he'd say (well then you come on over and eat lunch with us.) then he would commence to tell me what Sis Betty had cooked.  
Bro Ricky never meet a stranger that within a few minutes of conversation he'd be telling them about Jesus and inviting them to church.  
My prayers and thoughts and love go to this family.

“ Bro. Ricky will be greatly missed at NLAC. One of the kindest men I know. He would always make sure to shake everyons hand. And told me many many times "Sissy, Don't ever stop praying for your husband" he was always looking for an opportunity to invite someone to church. Such an inspiration! Praying for Sis. Betty and the family of this great warrior that's won the battle!
