“ My deepest sympathy goes out to his entire family. Many wonderful memories of all the great times we spent together will always remain deep within my heart. He was such a wonderful Christian, joy to be around, loved to pick and had a great sense of humor. He is now at peace, no more suffering. God needed another Angel so he chose him. Rest in Peace, dear heart, and know you will be missed by all who knew and loved you.

“ *I had the privilege of working with Mr. Lee for many years with the company. I knew him as a hard worker, a Christian, and an overall good person. I always had utmost respect and admiration for him and his knowledge of the industry. I will be eternally grateful to him for the things he taught me. I will always remember him saying "Well, well, well" whenever I would mess up, and then taking time to show me how to correct my mistakes. It was a privilege and an honor to know him and work with him.*

*I pray that our Lord Jesus Christ will give his family peace and strength during this difficult time.*
