

Lennie Jean Alford Mayor

February 3, 1938 - May 30, 2022

Lennie, age 84, went to her heavenly home on Monday, May 30, 2022. She was raised in Bogalusa, Louisiana, where she also met the love of her life. Jennings, Louisiana holds a special place in her heart as that was where she raised her only son and was an active member and kindergarten teacher at First Baptist Church of Jennings. Lennie was a hard worker and was proud of serving as a Dental Receptionist for 25 years. She was also a dedicated member of First Baptist Church of Hammond where she was extremely active and would help with anything until her last days. She worked as a volunteer coordinator at the Fuller Shop in Hammond for 18 years. Lennie had a wonderful sense of humor and loved to dance. She truly enjoyed helping others and made sure to share the love of Jesus with anyone she met. Lennie was an amazing woman with a kind and loving heart who will be deeply missed but we rejoice in the fact that she is reunited with her loved ones.

She is survived by her grandchildren, Lacey Mayor Herbstler (Jason), Rayce Alan Mayor; great-grandchildren, Christopher, Brandon, Micaiah; nieces, Dana Icenhour (Ike), Dawn Sellers (Kevin), Lisa Moak, Deidra Menard (Darryl), Dana Lovell (Mack), Tammy Polisky (Gerald), Donna Sue Crain (Donny), Michelle Johnston, Kathi Mayor, Melissa; nephews, Rick Moak (Lynda), Greg Alford, Robbie Alford, Daric Alford, Daryl Alford, Mark Loyd; sisters-in-law, Beverly Mayor, Vera Jean, Cheryl Schultz; brother-in-law, Berwick Moak; many great-nieces and nephews; and several great-great-

“ This is sent by Kelli Coats Thompson. Neighbor and friend from Jennings , La. We grew up next to Fred and Lennie. Chris was just a few years younger than me. We we in Jennings High Band together, both alto sax players. But before that, Lennie was my spiritual mentor. I was just talking about her today. She was a VBA teacher and I was her volunteer at 1st Baptist in Jennings. I grew up as next door neighbors, and my fondest memories were sitting at her kitchen table and her talking to me about Jesus. But most of all, but her living it out; Her gratitude and joy about Jesus. She brought me there. To Jesus. In her gracious,, and joyous perspective of life. I was so drawn to her and wanted so much of what she hunger in her relationship with Jesus. I served with her as a young volunteer in VBS. And today I got to start again in my own church with VBS. I told of how Ms. Lennie was my spiritual mentor. She will always be my special angel. I so regret that I did not tell her how special she was to me. But know that she has a special legacy in Christ long ago in Jennings La. I love you Lennie. And thank you for your witness to me in the way you lived for Him/ 40+ years ago.. you made difference in my life. And I look forward to see you at the Gateways of Heaven welcoming me into your life once again.
God Bless you all that have known and loved my Ms. Lennie

“ *My dearest Aunt Lennie, my Godmother,
I still think about all the times we would travel to spend time with you, Uncle Fred and Chris in Jennings, and then Hammond for a bit. As a child, I remember sitting on the floor in the living room in Jennings with you as you would teach me how to count money, how to tell time and how to tie my shoes. You were always doing and saying things to me laugh and oh the stories you would tell to do the same, but also how you would tell me about our Family History, which even as a kid I always valued and loved hearing about. Now, even with those times gone by and the memories I so cherish still to this day with all my heart, it will all forever give me comfort in knowing I am the luckiest man in the World to have had you in my life.
I am sorry as I grew up and began dealing with Life to the point that I drifted away and didn't take the time to stay in touch with you. This will forever be one of my greatest regrets. At least, one day, we will be reunited and will never have to worry about regrets, but until that Day, please give Daddy a big hug for me, as well as the rest of our wonderful Family up there. One day we will all be together again, laughing and loving one another, as we all used to do.
Forever Your Godchild,
Daric*
