“ *I was shocked to learn of Uncle Harry's passing. I respected him and I'll always cherish interacting with him, from the great Army stories to the time the kids spent fishing in the pond with him, to all the special times the family shared at Ma-Ma and Pa-Pa's house. I'm grateful he's at peace now and with God. But we'll miss him until we see him again. Until then, rest in peace, Uncle Harry.*

“ *My daddy was my “Superman” he always stood by me and picked me up when I fell ... He taught me that right is right even when no one is looking and that the truth is the truth even if people dispute it. He was a man of honor and integrity. Respected by all and loved by so many . I'll always have the memories of how close we were and how he confided in me with decisions to be made . I love you daddy and I know you're in Heaven with Mam Alice , Papa Louie and Travis ... until we meet again ... always your baby girl ...*
