“ *It just breaks my heart to learn of Leslie’s passing. She was a wonderful nursing student, if they all were like her it would make the instructors jobs very easy. I’m sure she was a caring and compassionate nurse, it was just in her. My deepest condolences to all her family.*

“ *I will never forget Leslie singing “Mart, Did You Know” at A Christmas Eve service. No one sang it as beautiful as she did. She was always kind, loving, fun and so talented. Leslie, sing it in Heaven please.*

Mr & Mrs Spring and Steven, please know that when I saw this on the funeral home website I was totally shocked. My heart is hurting as I am reading her obituary. I hope you all remember me and my family. We met all of you at the time that Steven and Julie worked for Acadian Ambulance. Steven was such a gentleman and during the time they were dating we met Leslie and you all. I felt like our families became fast friends. Even after Stephen and Julie ended their courtship I always felt our friendship with Leslie and all of you continued and when I would run into her or Steven we would always catch up on all the family news. Know that a special person has left us but we also know she is rejoicing with our Lord Jesus in heaven. The Brooks' family will keep Leslie and all of you in our thoughts and prayers. If there is anything that we can do to help any of you during this difficult time please know that Julie and I are here. Sending our love and know that we feel blessed that we were able to call her our friend. Love, Phyllis Brooks

“ My thoughts and prayers truly go out to Leslie’s family I had the pleasure of working with her and even remember the day we sent her to the hospital to give birth to Kyle. Her beautiful singing voice and great personality are two things that I remember most. Rest in peace my friend.
